Diary No. 2110	Enclos - Spare Copies	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Requests that the sandalwood due to the Sri Parakala mall for the year 1922-23 may be ordered to be supplied, as the mall, which was not aware of the standing order of Govt in the matter, could not claim the wood at the proper time -

NOTES AND ORDERS.

Qr 1 Muz. 7. 740-21-(1+2) on the subject is put up for refee - It will be seen from G O No. 454-65/Muz 740-21-2 of 28.7.22 that the Muz institutions entitled to the supply of sandalwood, should apply for and take delivery of the wood before

the end of Febry each year, failing which the supply for that year will lapse to Govt.-

2 In para 2 of the order, the Dy: Comrs have been requested to communicate the instructions to the institutions concerned, for their information and guidance.

3 The Manager of the Mall states that the instructions conveyed in the G.O. were not communicated to the Mall; and that the Mall was not, therefore, in a position to claim the sandalwood in time.

4 The Conservator, to whom the Mall applied, appears to have replied that it lapsed to Govt as the Mall did not apply in time.

5 The point that arises for consideration now is whether the D.C. did not communicate the instructions to the Mall, as directed in the G.O.

1) The instruction that application for the supply of the wood should be made within the month of Feb.y of each year as directed in the G.O. of 28th July 22 does not seem to apply to this matter. It seems to be the duty of the Forest Deptt to make the annual supply of the matt whether the mgr applies for it or not. If this view is considered to be correct, the Forest Deptt may be asked to make the supply for 1922-23 & in question and to order the annual supply hereafter on or before the 1st July of each year. [The matt has been given the 1923-24 supply]

As in view of the Composition upto the G.O. of 31-7-24, no such safeguards as have been prescribed in the G.O. of 28-7-22 are req.d in the case of the Parakala matt.

16/6/24

12) This may perhaps be dealt with in the Forest Section, as the Matt's right to sandalwood is not based on its being a Mgr Instn, but on a sort of agreement between the Matt & the Forest Department.

13) The G.O. of 1924 - May P. makes no change in the case of the Sri Parakalaswami Matt as the failure to ask for the supply within the prescribed time was due to ignorance of the G.O. of 1922, the Govt may be asked to grant the matt

Memo 4639

To,

K. V. Ananthanarayana Rao Saheb, Esquire, B.A.
Revenue Secretary to the Government
of Mysore, Bangalore.
Muzrai 291-23-1.

Sir,

I, the undersigned, M. Ananthanarayana Iyengar Manager, Sri Ramakalaswami Trust, Mysore, respectfully beg to submit the following for your kind consideration and favour of orders.

From a long time, the Trust is being supplied annually with 18 maunds of Sandalwood for its use, and this supply was being applied for in the months of July or August after the close of the official year.

As usual, yadi no 14 dated 15th July 1923 was written to the Mysore District Forest officer requesting him for the supply of the Sandalwood for 1922-1923.

On 29th Oct 1923, the said officer stated in reply that he is unable to supply the same as per G.O. No. 454-65/Forg 740-21-2 dated the 28th July 1922 and added that the supply ought to have been applied for before the end of February.

In reply, he was requested on 3rd Nov 23 to kindly favour the Trust with a copy of the said order as the same was to communicate to the Trust. He was also informed that the supply for 1922-1923, could not be sent before the end of February as the Trust was unaware of the said order of Government. He was kind enough to send a copy of the same with his no 600 dated 25th Dec 1923 and also to

and that he is unable to get
for 1922-1923 without the orders of the Conservator
of Forests in Mysore.

Thereupon the Conservator of Forests
was addressed in the matter and also he was
requested to direct the supply due for 22-23
as the trust was not aware of the Government
order. He has been pleased to reply in his
no: 11046 dated 16th April 1924 that as the
trust failed to apply for and take delivery
of the supply in time as per orders, the supply
for 1922-1923 has lapsed to Government.

I beg to submit that if the said order
had been communicated to the trust as
per instructions contained therein, the
trust would have been the first to obey
the Government-order and get the supply
in time.

According to the said orders, the
supply for 1923-24 was applied for in
time and the same has since been received.

Under the said circumstances, I
request you to be so good as to direct the
supply for 1922-1923 as the trust was
not aware of the said order of Government.

I beg to remain,
Sir,
your most obedient servant,

Letter No.D_2 Dis.133/23-24 dated 22nd May 1924 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.1200/23-24 dated 14th May 1924, requesting to be informed whether the Sri Parakal Mutt at Mysore is entitled to the supply of sandal wood and if so, under what authority etc., I have the honor to state that this Mutt is not included in the list of institutions entitled, to sandalwood grant under G.O.No.929-40/Muz.157-06 dated 28th October 1911. The instructions conveyed in G.O. No.454-65/Muz.740-21-2 dated the 28th July 1922 were, as directed in para 2 thereof, communicated only to the institutions ennumerated in the Government Order of 1911. The Parakal Mutt not being included in the list appended to the said order, the instructions in question were not communicated to it.

On receipt of your letter under reference, enquiries were made in the Forest Department as to the authority under which Sandal Wood was and is being supplied to the Mutt, and it is ascertained that the Mutt in question is enjoying a free supply of 18 maunds of Sandal wood from the Sircar Koti, under a composition entered into with the Forest Department in exchange for its right of collection of Sandal Wood from the -- Mutt's Inam villages. This arrangement has, it is seen, been recognized by Government in their Order No.282-4/Muz.361-13-2 dated 31st July 1914 (copy enclosed). This order, it may be mentioned, was not ------ communicated to this office.

As the supply of Sandal wood now made to the Mutt is an arrangement between the Mutt and the Forest Department, and as the supply is not recognized as a Muzrai Grant at Government cost, in the General --- Order, it was for the Forest Department to have a communicate to the -- Mutt concerned the instructions contained in the Government Order of -- 28th

28th July 1922 and arranged for timely supply.

The petition of the Manager of the Mutt received with your letter under reply is herewith returned."

Order No. 178 – 80 / Miscl. 291-23-4

Dated, Bangalore, the 1st July 1924.

The annual supply of sandalwood to the Sri Parakalaswami Mutt is regulated by Government Order No.282-4/Huz.381-13-2 dated the 31st July 1914 and is of the nature of a composition by the Forest Department in exchange for the right of the Mutha to collect its own wood from its Inam villages, and does not fall under the category of institutions which get a free supply of sandalwood in pursuance of Government Order No. 329-401/Huz.157-06 dated the 28th November 1911. It is understood that the supply for 1922-23 was not made to the Mutt on the ground that the same was not applied for in time in accordance with the instructions laid down in Government Order No.454-65/ Huz.740-21-2 dated the 26th July 1922. The Manager of the Mutt explains that when he indented for the supply of sandalwood for 1922-23 due to the Mutt he was not aware of the order of 26th July 1922.

2. Government observe that the Government order of 26th July mentioned above is not applicable to the case as it is governed by the order of 31st July 1914 and not that of 28th October 1911 to which alone the Government order of 26th July 1922 has reference. They accordingly direct that the supply due to the Mutt for 1922-23 be issued by the Forest Department. The Mutt will be asked to submit for the annual supply in proper time in future so that the claim for each year may be disposed of promptly instead of being carried over for adjustment
